Sir:

**LETTER REQUESTING ACKNOWLEDGMENT OF RECEIPT OF
PRIORITY DOCUMENT**

Applicants are in receipt of the Notice of Allowance and Notice of Allowability dated November 6, 2003.

Applicants have claimed priority based on German Patent Application No. 100 28 204.0, filed June 9, 2000. However, we have noticed that in the Notice of Allowability mailed on November 6, 2003, the Examiner noted that he had not yet received the certified copy of the German Patent Application for the above-noted application.

We have attached a copy of the first page of the German Patent Application, along with the date-stamped postcard, to corroborate that the certified copy of the German Patent Application was indeed filed on June 8, 2001.
